

PRODUCT RANGE EXPANSION FOR CONFOIL'S ESHOP

As Australia Day approaches, a true blue Aussie manufacturer would like to announce some changes to the way it does business with the Australian Food Industry.

Confoil would like to announce an expansion of our E-Shop facility which currently operates on our website! We have for the past few years sold a small range of paper based bakery items such as the Novacart range and our world famous muffin wraps.

We are now including the most popular lines from all of Confoil's food packaging lines:

Catering Foil

- General Purpose to Extra Heavy Duty foil in roll widths of 300mm & 440mm.

Clingwrap

- PVC clingwrap available in 330mm width rolls.

Baking Paper

- Supabake product available in 300 & 450mm widths.

Dualpak Product with Clip On Lids

- Food Trays made from virgin fibre board which are both Ovenable & Freezable.
- Ideal for offering customers takeaway product as well as home replacement meals.
- Meals can be frozen and then reheated using either an oven or microwave!
- Cook and reheat food in both the microwave and oven up to 220 degrees Celsius.
- Freeze product down to -40 degrees Celsius.
- Better than Cpet as Frozen product will not shatter.
- Clip on Lids for the trays also available!
- Coming soon – Heat sealing Machines and sealing film for the Dualpak range.

Aluminium Foil Trays

- The most popular lines are now available for you to purchase on the internet!
- From bakery sizes for pies, custard tarts, cheese cakes etc to all the major takeaway sizes.
- All the tray lids are also available to purchase via our EShop.

Aluminium Platters

- Foil platters available for catering purposes. Check the sizes on our EShop to see which product suits you!

Delivery is free within Australia!

Our EShop is only available to Australian Shoppers!

Please keep tuned to our web site for more exciting additions to our EShop Food Packaging Range!
